## Chief Jensen Warns Against Holiday Thieves

With the approach of Christmas the Police Department makes the following suggestions that might prevent the loss of valuable presents through thievery.

Lock your home securely when leaving it.

Do not have your garage doors open when leaving the home.

Do not leave keys in conspicuous places.

Do not leave notes to friends or merchants advertising the fact you will be away.

If leaving at night for short periods, leave a light on.

When shopping do not leave packages in the front or back seats of your vehicle. Lock them in the trunk.

If salesmen come to your door, ask to see their solicitors' permit which are issued by the police department. If they have none, call the police department.

Stop milk, papers and other deliveries if leaving for several days.

Do not carry long handle purses.

Carry billfolds or wallets in an inside pocket.

Do not lay purses on counters when shopping.

It is hoped that these suggestions will be followed and everyone will have a happy Christmas.

### U.S. Army Raises Candidate School Fitness Standards

Washington, D.C. — Tougher requirements for enlisted personnel applying for Army Officer Candidate School were published this week. All male applicants for OCS will be required to undergo a more rigid physical fitness test within one month prior to appearance before an examining board.

OCS courses are available, from within the Army, at the Infantry School, Fort Benning, Georgia; the Artillery and Missile School at Fort Sill, Oklahoma; and the Women's Army Corps School at Fort McClellan, Alabama. Educational requirements for the Artillery and Missile School have also been tightened. Added was a provision that "applicants must have completed high school trigonometry or equivalent, or higher level training in the field of mathematics."

For full information concerning the Army's Officer Candidate Schools contact the Army Recruiting Station, Main Post Office, in Berkeley.

### State Health Department Lists New Rabies Areas

Twenty-five counties have again been declared rabies areas for another year, according to Dr. Malcolm H. Merrill, state health director.

Redeclarations are issued in counties where a case of animal rabies has been reported during the 12-month declaration period. Upon such designation the law requires the vaccination and licensing of all dogs over four months old.

The department took this action upon the recommendations of its six regional advisory committees. The affected counties

are: Los Angeles, Madera, Santa Clara, Solano, Lake Mendocino, Amador, Colusa, El Dorado, Colusa, Placer, Shasta, Trinity and Yuba.

Newly declared a rabies area was Stanislaus County, from the list of areas. Two were the counties of Fresno, Kings, Tulare, and Santa Cruz and Tehama. There are a total of 31 currently designated areas, five of which will be considered for redeclaration March and April of 1961. They are, San Luis Obispo, Contra Costa, and Sacramento.

## WHAT'S DOING

Wherever your voice goes, telephone patrols keep a careful watch over the lines that carry your calls. And here you see a sky patrol in action. Every day the pilot or his partner check 350 miles of cable, most of it underground. They're on the lookout for landslides or construction work that could cause trouble. By using a loudspeaker on the plane, or by dropping notes, they can warn anyone working near a hidden cable. Time and again, cable patrols have headed off costly damage. And they've helped make your telephone service more dependable than ever.

Remember our contest to find out about memorable long distance calls? Well, lots of people wrote in and told about their interesting experiences with long distance. For instance, one of the two winning letters was from Mrs. D. D. Bracken, 3499 Bryant Street, Palo Alto (above with Telephone Manager R. R. Maloney): "Several years ago my husband and I drove to Fort Wayne to visit our daughter who was living in the suburbs there. Then we lived closer to her but still about 5 hours away. When we got home, we were very tired . . . About 2 a.m. a long distance call came from our daughter, hysterically telling us that they couldn't find "Bobbie," their 2-year-old son. As I tearfully tried to give her hope, my husband went to the car. He fairly flew back with "Bobbie" in his arms. He had found the little fellow hidden on the floor in the rear seat of the car. Bobbie sleepily cooed "Mommie, Mommie," into the phone and my daughter just about fainted at the other end of the line. How he ever managed to get into the car, we'll never understand!" ### ★ Peeking With Pamela ★

Some of the local Young Men's Club girls attended the 1958 Rendezvous the last weekend of November at the Y.M.C.A. Camp at La Honda. Understand it was really a blast. Many Explorer Scouts attended too. Everything was well organized and chaperoned. Girls' cabins were in a separate roped off area. "off limits to males at all times!"

Friday evening everyone ate their own bag lunches. Then there was a dance. Lights out at twelve midnight but not to sleep! That's when the girls "talk about the boys." They woke up at seven in the morning to the sound of the bugle call... Gave them a great thrill! Breakfast in the mess hall fit for lumberjacks... then a hike in the woods... later target practice and archery... followed by a swim in the "heated pool" which was pretty darn cold! Then a big lunch with as many hamburgers as one could eat. The bus from Husted's Garage on Shattuck was used for transportation and had the girls all home safe and sound early Saturday morning. Now they are looking forward to the ski trip to Dodge Ridge the 28th of December. Wonder if there will be any snow?

Overheard at local restaurant... middle aged matron to wait-

ress, "I'll have a large piece of nut fudge layer cake... If you don't have that... don't bring me anything... I'm on a diet!"

Did you hear about the really worried little girl that came sobbing to her mother, "Look how THIN I'm getting... my shorts won't stay up!"... The elastic band had broken!

Many girls belong to the synchronized swim club sponsored by the Albany Y and the aquatic show they presented recently at the Albany Pool called "Harvest Time" was well performed. Twenty-five girls took part and demonstrated the various ballet strokes. We are looking forward to seeing their more ambitious program planned for May. Much credit should be given Dorothy Trapanese, the attractive and popular teacher. She takes her work so seriously that at one lesson she was so busy demonstrating a stroke on the side of the pool that she fell in... clothes and all... but she didn't drown... she knows how to swim!

Have read several "do it yourself" books recently that were most informative. One was called "EATING ON YOUR PATIO." Personally I prefer to eat on a plate... but then things are get-

### Mr. and Mrs. Coulon Celebrate 50th Marriage Date

Two days of celebration marked the 50th wedding anniversary of Mr. and Mrs. E. Coulon of Neilson Street, Albany. They have lived here for the last 14 years.

The couple said their nuptial vows in San Francisco December 6, 1908, and have lived in the Bay Area all their lives.

The celebration was an open

house on December 6 at the home of their eldest daughter, Mrs. Neil Ebert, of 817 Carmel Avenue, and was attended by members of the family and many lifelong friends. Hosts at the affair were their three children, Mrs. Neil Ebert, Edward Coulon, Mrs. Joyce Duschka, all of Albany, and a sister of Mrs. Coulon's, Mrs. E. Fischer of Sonoma. On December 7 there was a buffet dinner at the Hotel Claremont, attended by members of the family.
